We are a non-profit youth football association that serves diverse, low to middle income families in the North Fort Worth, Texas area. Our association serves as a mentoring program in our community, as many of our players are a product of single-family homes. A key program activity is our school lunch visits. We use our football program to advance the academic progress of our players and cheerleaders. We make it a priority to build relationships with teachers and administrative staff who keep us informed of their academic progress. Your contribution will help eliminate any financial concerns and enable us to reach as many youth in our community as possible. Thank you in advance for your consideration. If you have any questions, please contact me at 817-929-9390.

Sincerely,

Brian Kelley, President
